QUARTERLY NEWSLETTER | SUMMER 2026

hello sunshine

Summer is one of the most beautiful times of the year, and at Narcissus Florals, we are delighted to be part of so many special moments throughout the season.

From breathtaking seaside weddings and elegant celebrations at the Jersey Shore to community events, backyard gatherings, and milestone family occasions, flowers have a unique way of bringing people together and making memories even more meaningful. Our designers have been busy creating stunning summer wedding bouquets, ceremony florals, and reception arrangements that capture the beauty, color, and joy of the season.

Summer also brings countless birthdays, anniversaries, graduations, family reunions, and celebrations with friends. Whether it's a vibrant bouquet for a birthday, a centerpiece for a family gathering, or a thoughtful arrangement sent just because, flowers add warmth, beauty, and a personal touch that brightens every occasion.

We are grateful for the opportunity to serve our customers throughout Ocean and Monmouth Counties and beyond. Your trust allows us to share in life's happiest moments, and we take great pride in creating floral designs that help tell your unique story.

As you enjoy all that summer at the Shore has to offer, we invite you to visit one of our shops, explore our seasonal floral selections, and let Narcissus Florals help make your celebrations even more memorable.

Wishing you a season filled with sunshine, laughter, and beautiful flowers.

– Kenneth Malagiere, Owner/Managing Partner

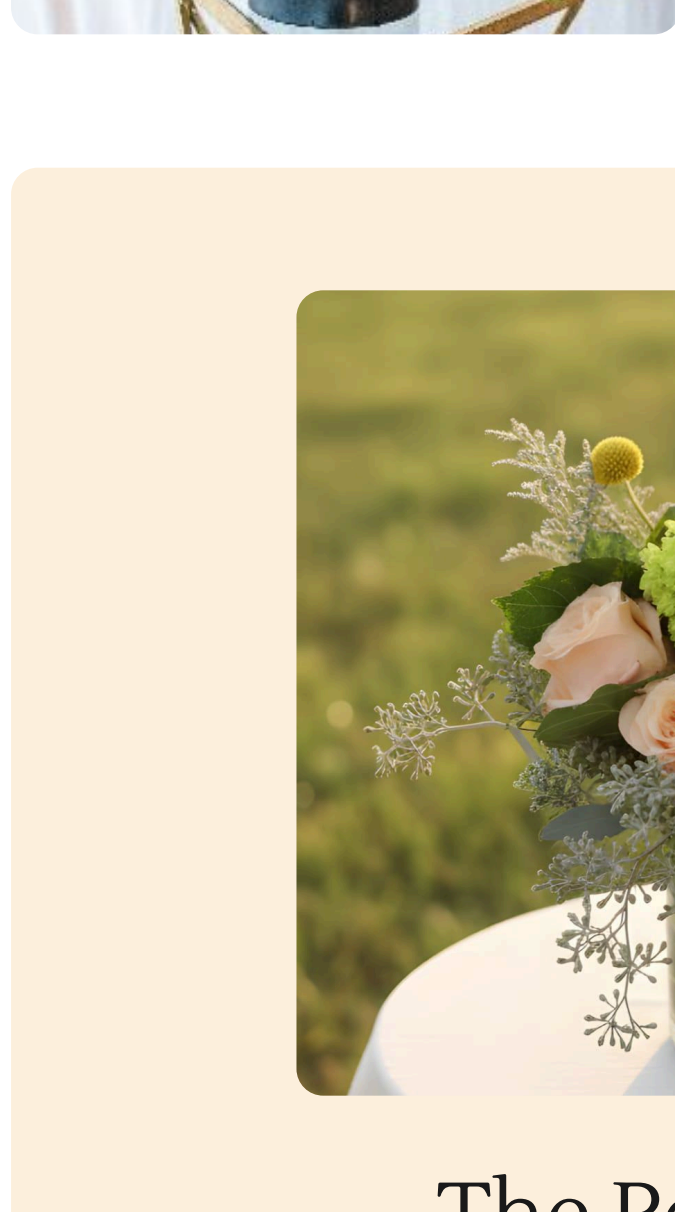

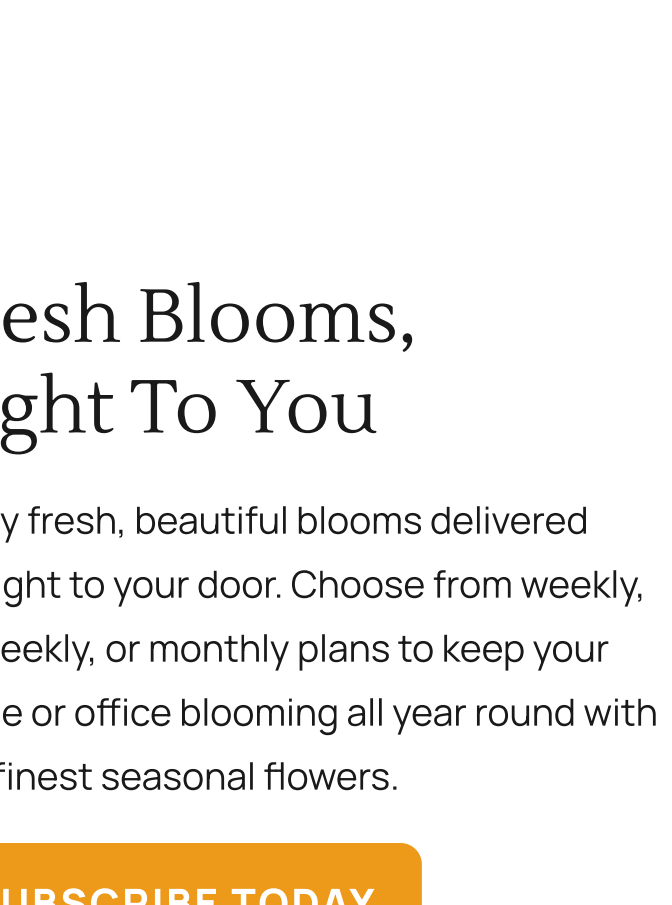

“We should enjoy this summer, flower by flower, as if it were to be the last one we’ll see.”

– ANDRE GIDE

Effortlessly Organic

Garden inspired florals continue to shine with loose, organic arrangements that celebrate texture and movement. Layered with seasonal blooms, wispy greenery and natural elements, these designs capture the effortless beauty of flowers freshly gathered from the garden.
